SAXONETT POCKET CLARINET

The **Jupiter JRS700 wooden saxonett** has a recorder body and a clarinet mouthpiece. It is the perfect instrument choice for the player who wants to prepare for wind section classes.

Easy Playability

Positioning between a recorder and a single reed instrument, Jupiter JRS 700 is specifically designed to assist a beginner student to make a smooth transition to a wind instrument player.

Natural & Elegant Sound

The recorder body is made from selected pear wood. The well-polished unstained wooden body gives it a rich, warm and natural melody.

ENJOY MUSIC & HAVE FUN EVERYWHERE

A saxonett, also known as pocket clarinet, can be carried easily. Each saxonett comes with a fabric bag which can fit in your backpack or bag.
